

1. I could've asked for more help during the first recitation to learn why my commit is broken and asked for help for the junit for the tests to speed up the writing of the code.
2. I don't think anything could've been improved to improve my learning experience, they were all helpful.
3. I wish I knew the ins and outs of eclipse so that it didn't take me so long to figure out how it worked and such
